Rep. Ellen Tauscher Announces the Nomination of 23 Constituents to The Nation's Military Service Academies

Washington, DC — Rep. Ellen Tauscher has announced the names of twenty three high school students from California's Tenth Congressional District whom she has nominated to attend one of the nation's military service academies.

The academies, which include The United States Military Academy at West Point, NY, the Naval Academy in Annapolis, MD, the Air Force Academy in Colorado Springs, CO, and the Merchant Marine Academy in Kings Point, NY, are ranked among the most prestigious universities in the country. They have a long-standing tradition of excellence in education, service and integrity.

"I am always proud to nominate some of the district's best and brightest to attend one of the nation's prestigious military service academies," said Rep. Tauscher. "As a member of the House Armed Services Committee I truly believe the quality of our military depends heavily on the integrity, skill, and training of our men and women in uniform. I wish all the students the best of luck throughout the remainder of the selection process and I look forward to seeing them serve the country as leaders in the United States Armed Forces."

The young men and women competing for nominations to the Service Academies this year included an outstanding group of individuals. While all applicants exemplified the dedication and courage necessary to serve in our military, only the most qualified individuals receive a nomination each year. Applicants must demonstrate academic strength, leadership ability, involvement in extracurricular activities and a desire to serve their country as a member of the United States military.

Rep. Tauscher strives to nominate high-caliber young men and women of all backgrounds to attend the academies. If you know a high school student who is interested in applying for next year, please contact Ricardo Blanco in Rep. Tauscher's Fairfield office at 707-428-7792 or visit www.tauscher.house.gov and click on "services" for more information.

Below are the names of the men and women nominated by Rep. Tauscher.
