

## Overview of Congresswoman Ellen O. Tauscher's Grants Support Services

Congresswoman Ellen O. Tauscher offers several services to support non-profit, local government, and public service agencies in the 10th Congressional District that are seeking grants. Assistance includes:

- Letters

of Support: Congresswoman Tauscher is pleased to provide a letter of support to accompany your organization's grant application. These letters are provided upon request and are for specific grant applications. General letters of support are not available. Agencies are encouraged to consider providing a model letter with their request.

- E-Grant

Newsletter: Representative Tauscher provides an email newsletter detailing available federal funding opportunities twice each month. To sign up click [here](#).

- Agency

Inquiries: If you have questions about a specific grant opportunity prior to its deadline and you need assistance reaching a federal agency, Representative Tauscher can help ensure you connect with staff from the department to answer your inquiries. Please allow at least three days' turnaround time. In many cases, the Congresswoman can also assist applicants in receiving feedback on a federal application once awards have been issued

- Web

Resources: On her website, Congresswoman Tauscher has developed comprehensive internet-based resources to assist grant seekers. Links include information about federal funding, private granting, resources in the local community to support non-profits, and student financial aid information. To learn more, go to
