

Social Security & Medicare

I can be of assistance to constituents having issues with Social Security and/or Medicare. If you are currently having a problem with either agency please fill out a help form.

- I can inquire on the status of pending Social Security applications for benefits, trace missing payments, check on overpayment problems and check the status of existing disability claims.

- I can also assist constituents who are having difficulty obtaining reimbursement of a Medicare claim. In addition I can answer questions regarding Medicare Part A, Medicare Part B and follow up on Part B applications with Social Security.
