

Veteran Services

- I can assist veterans by following up on pending applications for Veterans Affairs pensions, service connected disability benefits, rating increases, and/or an appeal on a previous decision rendered by the Department of Veterans Affairs (VA).
- I can assist with obtaining medical services, devices, and payment of medical bills.
- I have information concerning the educational benefits for discharged veterans.
- I can aid in obtaining grave markers and burial flags for the deceased, and also put you in touch with the Department of Veterans Affairs Memorial Network who can assist in having a deceased veteran laid to rest in a VA Cemetery.
- If you need assistance with any of the previous issues, please complete the Veteran Help Form and return it to my district office.
