Ellen Tauscher Meets With Contra Costa Officials to Discuss County Priorities Washington, DC – This week, Rep. Ellen Tauscher met with elected officials from Contra Costa County to discuss local priorities. Meeting with Rep. Tauscher were Federal Glover and Susan Bonilla, Chairman and Vice-Chairman of the Contra Costa County Board of Supervisors. Rep. Tauscher released the following statement: “It was great to sit down with Federal and Susan to discuss supporting major needs and priorities in Contra Costa County with federal assistance. We had a very productive meeting and we were able to develop a unified approach that will maximize our results. “We talked about addressing environmental issues like flood control and ecosystem restoration for Grayson’s and Murderer’s Creek, and bringing federal funds to continue the clean-up of the Mt. Diablo Mercury Mine. “We addressed how to make our communities safer by funding programs for preventing domestic violence and The ARIES Integrated Justice System that will provide information to first responders and anti-terrorism task forces in Contra Costa. “We’ll continue to work with local elected officials to make sure our shared constituencies are best represented.” Rep. Ellen Tauscher ###
