

## Veterans and Military Families

As a member of the House Armed Services Committee, I am dedicated to the interests of all military personnel, past and present. Our country is grateful for the sacrifices made by our military, and I will ensure that our troops, veterans, and their families receive all the support and benefits they have bravely earned. By improving veterans' health care, rebuilding our military, and strengthening benefits for our troops and military families, I am working to honor our courageous and faithful men and women in uniform.
