Official Statement of Rep. Ellen Tauscher Regarding the Departure of NNSA Administrator Ambassador Linton Brooks

Ambassador Brooks has served the nuclear complexes and the nation admirably and I have been pleased and honored to work with him and his staff.

As the Chairman-designate of the Strategic Forces Subcommittee of the House Armed Services Committee, I will be calling Secretary Bodman to testify about how he plans to move forward from this personnel change to implement the important policy and structural changes within his agency that it will take to get the job done and deliver the best possible science and security for our country.
