

## About Me

Thank you for taking the time to visit my web site. This site should provide you with useful information about your community and the issues that working families and businesses care about most.

As your representative in Congress, I fight for policies to help you, your family and your business succeed -- from improving transportation and education to guaranteeing families access to affordable child care to cutting taxes and increasing opportunities for small and large businesses. Please use this web site as a resource -- not only for the information that it contains, but also for the links we provide to legislative, local and issue-based websites. We will do our best to keep the information as up-to-date as possible.

If you have questions that this website does not answer, suggestions for improvements, or just want to talk to a real person, please feel free to call my office. My Walnut Creek office number is (925) 932-8899, and my Washington, DC office number is (202) 225-1880. Thank you again, and I look forward to continuing to serve you in Congress.
